What is 'What's My Trade?'

'What's My Trade?' is a totally hands on experience where participants can 'have a go' and actually construct something and take it home!

'What's My Trade?' is a great way to demonstrate what a trade looks like, feels like and in some instances, tastes like!

'What's My Trade?' is for all age groups and has been offered to your child's school to attend in their class groups.

The 2010 event will be held at the GAGAL Technical Training Centre, 28 Beckinsale Street, Gladstone on Thursday 4th & Friday 5th March from 9.00am to 3.00pm and Saturday 6th March from 8.30am to 12 noon.

Parents why not bring along your younger children to 'have a go' at 'What's My Trade?' or have a go yourselves!

Trades to try will include: Floor laying, carpentry, bricklaying, simulated crane driving, painting, plumbing, motor mechanics, hospitality, horticulture, warehousing, hairdressing, welding and lots, lots more.

There will be snags and drinks on sale between 10.00am and 2.00pm for \$1.00 each.

Entry is free, so come on down and "have a go"!

For further information contact Cherie on 4972 5988 or email promotions@gagal.com.au

All participants MUST be wearing fully closed in shoes to enter and participate in the event.

my skills | my trade | my future
